How to  
**GET UP AND GO**  
when you're feeling low

- This booklet lists things that we know can help children your age feel better when they feel upset or stressed.
- We are all different. The important thing to find out is what works for you!
- You might like to fill this in with someone close to you like your mum, dad or the person who looks after you at home. Or you might like to do it yourself.
- If you don't want to fill it in at all then that is fine too!
